An Alien Ate My Homework

An Alien ate my homework.

I assure you, Miss, it's true.

I know you think I'm fibbing, Miss,

But would I lie to you?

I was writing up my science

Which, quite frankly, Miss, was hard -

When a spaceship came and hovered

In the air above my yard!

A door slid slowly open, Miss,

And to my great surprise

I found myself regarded

By a pair of purple eyes.

The thing was green, with tentacles.

My heart was filled with fear.

I knew it wanted something,

But quite what, I wasn't clear.

Until it ate my homework, Miss!

Just snatched it clean away!

And then - what's that you're saying, Miss?

Detention, Miss? OK.
